

App. No. 10/710,008

REMARKS – General

On Page 2 of the Office Action Examiner withdraw their rejections of claims 21-32 based on Applicant's arguments. Claims 21-32 have been *reinstated* by adding the claims as a "new" claims per USPTO requirements with a new claim number as Claims 42-53. This should put the application in the condition for Allowance

Conclusion

For all of the above reasons, applicant submits that the specification and claims are now in proper form, and that the claims all define patentably over prior art. Therefore the applicant submits that this application is now in condition for allowance, which action is respectfully solicited.

Respectfully submitted,
